

MARINERS COVE ASSOCIATION

Max Pontoon Models

20 foot model pontoon classes are the max allowed.

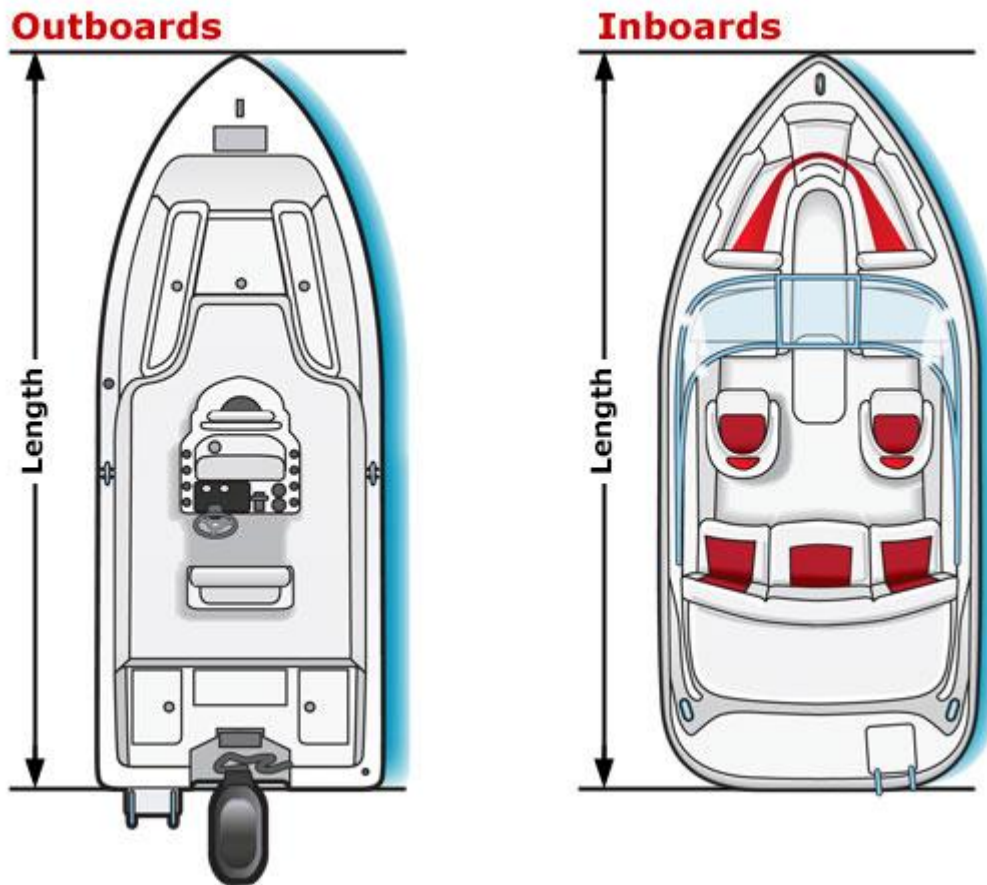

*The manufacture product specification must state that both the **Pontoon deck length** and **Pontoon log (tube) length** are less than 21 feet.*

Here is an example:

2018 Tracker Party Barge 20 DLX

- Deck length: 19' 10"
- Pontoon log length: 20' 4"

Measuring Length Overall must be less than 21 feet

Boat width is measured at the boats widest point.

Boat width under 7 feet only allowed on 7 foot docks.

Boat width under 8 feet only allowed on 7 or 8 foot docks.

Boat width over 8 feet only allowed on 8 or 10 foot docks.
